What is the Earl's Court Festival?

Earl's Court Festival is a major festival in London which attracts over 7,000 people from Earl's Court and the surrounding areas to celebrate arts in the community. This year we are opening both doors and doubling the festival and the entertainment.

We plan to host over fifty events between June 12th and July 19th using different local venues and are now looking to invite businesses to take advantage of the festival's success to raise their profile through the coming events.

We market the events in different ways. Our main marketing and promotion is through our programme which has the Festival's calendar, events and maps but also next to each event listing a logo of the company that has chosen to support it. This could be you. This programme has a distribution of 35,000 going to residents, business in the area and to the surrounding areas.

Secondly we have our website, you're looking at it now!

Last year this attracted over 5,000 unique visitors during the festival with company's logos to promote businesses or campaigns.

Companies that have previously supported us are already signing up for a second year due to the success and interest the Festival generated for their business.

We also want to introduce 150 businesses to each other bringing everyone together at our Launch Event.

We invite you to show support for the Festival and meet with the Festival Director and Chair of the Earl's Court Community Trust. This is also a great opportunity to network with other local businesses.

We want you to be a part of the festival and invite you to some events by giving you 6 complimentary tickets to use to enjoy the atmosphere and become a part of a great community through the arts.

This is your opportunity to be a part of the festival, and for only £150 you can be.....

For this, you can be featured in the programme, be linked to our website, join us at our Launch Event and enjoy some of the events with your free tickets.

If you have any questions, need further information or would like to support the festival, please contact the Festival Office for further details.
